5.4 Applicable taxes shall be deducted from any payment to be made in connection with a Fixed Deposit if such deduction is required by applicable law.

5.5 Interest on Fixed Deposits will be credited into the customer's account at the rate(s) as may be from time to time prescribed by the Bank. Simple interest is paid at the applicable rate for deposits up to a period of 12 months. For deposits above 12 months, interest at the applicable rate, if not paid out to the customer, shall be compounded annually. Where periodic interest is payable by the Bank, the Bank shall pay such interest by crediting the same into the account of the customer, unless the customer has given to the Bank specific prior written instructions to the contrary. Where no such prior instruction is given by the customer and the customer also does not maintain an account with the Bank, the customer shall be required to open with the Bank an account in the name of the customer, subject to the Terms, and credit interest payments into the new account, and the customer shall promptly execute such agreements/forms and provide and furnish such documents as may be required by the Bank to open such account.

5.7 Fixed Deposits will not be ordinarily allowed to be withdrawn before maturity, whether partially or in full. The Bank may, however, at its sole discretion, consider requests for premature withdrawal of Fixed Deposits in extraordinary circumstances. In the event of the Bank consenting to part or all of a Fixed Deposit being withdrawn before maturity, interest will accrue for such period as may be determined by the Bank in its sole discretion and the Bank may deduct a premature withdrawal fee from the account of an amount as may be decided by the Bank in its discretion. Premature withdrawal in case of joint accounts requires signatures of all depositors even though repayment instructions may be on a different basis. Premature withdrawal of Fixed Deposits may also lead to a loss or reduction in the principal amount of the Fixed Deposit, and no interest shall be payable on any portion of a Fixed Deposit which is withdrawn within one month after its effective date.

5.8 If any Fixed Deposit in Hong Kong Dollars matures on a day which is not a Business Day, the deposit shall be payable on the next succeeding Business Day and interest shall be paid up to but excluding that succeeding day.

5.9 If any Fixed Deposit in a currency other than Hong Kong Dollars matures on a day on which banks/financial institutions in either

- 5.4 Applicable taxes shall be deducted from any payment to be made in connection with a Floating Rate Deposit if such deduction is required by applicable law.
- 5.5 Interest on the Floating Rate Deposit shall accrue for each Interest Period (as defined below) at the Applicable Rate (as defined below)

The rate of interest payable on the Floating Rate Deposit ("Applicable Rate") for each interest period is the aggregate of:

- i the Margin specified in the Application; and
- ii the Interest Rate Benchmark specified in the Application for such Interest Period (as defined below).

"Interest Rate Benchmark" or "Interest Benchmark" means either (as specified in the Application, or as otherwise agreed with the Bank from time to time):

- I) the British Bankers Association Settlement Rate for the currency of the Floating Rate Deposit (as specified in the Application) for:
 - a. a one-month period, in case the Interest Rate Benchmark specified in the Application is 1 month LIBOR, or
 - b. a three-month period, in case the Interest Rate Benchmark specified in the Application is 3 months LIBOR, or
 - c. a six-month period, in case the Interest Rate Benchmark specified in the Application is 6 months LIBOR, or
 - d. a twelve-month period, in case the Interest Rate Benchmark specified in the Application is 12 months LIBOR; or

e. such other period, where the Bank and the customer agree to such period being the Interest Rate Benchmark,

displayed on the appropriate page of the Reuters screen as of 11.00 am. London time on the day that is two London Business Days before the first day of that Interest Period (as defined on below), where a "London Business Day" is a day on which banks are open to the general public for business in London. If the agreed page is replaced or service ceases to be available, the Bank may specify another page or service displaying the appropriate rate and the Interest Rate Benchmark shall be construed accordingly; or

II) Hong Kong Interbank Offered Rate (HIBOR), where the Floating Rate Deposit is denominated in HK\$, for:

a. a one-month period, in case the Interest Rate Benchmark specified in the Application is 1 month HIBOR, or

b. a three-month period, in case the Interest Rate Benchmark specified in the Application is 3 months HIBOR, or

c. a six-month period, in case the Interest Rate Benchmark specified in the Application is 6 months HIBOR, or

d. a twelve-month period, in case the Interest Rate Benchmark specified in the Application is 12 months HIBOR; or

e. such other period, where the Bank and the customer agree to such period being the Interest Rate Benchmark,

displayed on the Reuters Screen HKABHIBOR Page of the Reuters screen as of 11.00 am Hong Kong time on the first day of that Interest Period (as defined on below). If the agreed page is replaced or service ceases to be available, the Bank may specify another page or service displaying the appropriate rate and the Interest Rate Benchmark shall be construed accordingly.

Where the term of the Floating Rate Deposit is equal to the Interest Rate Benchmark specified in the Application, such term shall be the Interest Period for such deposit.

Where the term of the Floating Rate Deposit is greater than the Interest Rate Benchmark specified in the Application, such term shall be divided into periods (each an "Interest Period") each equal to the Interest Rate Benchmark specified in the Application (or such other period as the Bank may determine), the first such Interest Period to start on the effective date of the Floating Rate Deposit and each successive Interest Period to start on the last date of the immediately preceding Interest Period.

Where the Interest Rate Benchmark is linked to some other reference rate (other than 1, 3, 6 or 12 months LIBOR or HIBOR), Interest Rate Benchmark and Interest Period shall be as defined by the Bank on a case by case basis.

The interest that is accrued on the Floating Rate Deposit shall be payable at the end of each Interest Period, or in case the Bank has offered the customer the option to receive interest payments either monthly/quarterly/semi-annually/annually/or at such other intervals, then interest shall be payable at such intervals as may be selected by the customer. Simple interest is paid at the Applicable Rate on the Floating Rate Deposit for Floating Rate Deposits up to a tenor of 12 months. For Floating Rate Deposits of tenor greater than 12 months, interest at the Applicable Rate, if not paid out to the customer, shall be compounded annually. Where periodic interest is payable by the Bank, the Bank shall pay such interest by crediting the same into the account of the customer, unless the customer has given to the Bank specific prior written instructions to the contrary. Where no such prior instruction is given by the customer and the customer also does not maintain an account with the Bank, the customer shall be required to open with the Bank an account in the name of the customer, subject to the Terms, and credit interest payments into the new account, and the customer shall promptly execute such agreements/forms and provide and furnish such documents as may be required by the Bank to open such account.

5.6 Maturity instructions in respect of a Floating Rate Deposit should be given in writing to the Bank at the time the deposit is made or, in respect of any renewal or new Interest Period, not less than 7 days before the applicable maturity date of the Floating Rate Deposit or, as the case may be, expiry of the current Interest Period, and for this purpose the customer shall promptly execute such agreements/forms and provide and furnish such documents as may be required by the Bank, otherwise the Floating Rate Deposit (together with any accrued unpaid interest) will be automatically rolled over for such period as the Bank may in its discretion determine at the Bank's prevailing rate of interest applicable to deposits of similar tenure with the other terms of the deposit remaining unchanged.

5.7 Floating Rate Deposits will not be ordinarily allowed to be withdrawn before maturity, whether partially or in full. The Bank may, however, at its sole discretion, consider requests for premature withdrawal of Floating Rate Deposits in extraordinary circumstances. In the event of the Bank consenting to part or all of a Floating Rate Deposit being withdrawn before maturity, interest will accrue for such period as may be determined by the Bank in its sole discretion and the Bank may deduct a premature withdrawal fee from the account of an amount as maybe decided by the Bank in its discretion. Premature withdrawal in case of joint accounts requires signatures of all depositors even though repayment instructions may be on a different basis. Premature withdrawal of Floating Rate Deposits may also lead to a loss or reduction in the principal amount of the Floating Rate Deposit, and no interest shall be payable on any portion of a Floating Rate Deposit which is withdrawn within one month after its effective date.

- 5.8 If any Floating Rate Deposits in Hong Kong Dollars (subject to applicable law, rules and regulations from time to time) matures on a day which is not a Business Day, the Floating Rate Deposit shall be payable on the next succeeding Business Day and interest shall be paid up to but excluding that succeeding day.
- 5.9 If any Floating Rate Deposits in a currency other than Hong Kong Dollars matures on a day on which banks/financial institutions in either the country of the relevant currency or in Hong Kong are not open to the general public for business, the Floating Rate Deposit shall be payable on the next succeeding day on which all such banks/financial institutions are so open and interest shall be paid up to but excluding that succeeding day.
- 5.10 If, with respect to any Floating Rate Deposit, on any relevant date, no Interest Rate Benchmark as mentioned above is obtained by the Bank, the Bank will, acting in good faith and in a commercially reasonable manner, determine the relevant benchmark rate and all determinations of the Bank will be binding and conclusive on the customer.

2. Currency, Purpose, Availability Period, Disbursement and Utilisation of the Facility

The Facility may be made available in such currency(ies) as specified by the Bank from time to time and as selected by the Borrower in the Application. The Bank reserves the right to change the currency of the Facility at any time in its sole discretion. The Borrower shall utilise the Facility only for the Purpose stipulated in the Application. The Bank shall not be obliged to verify that the Facility is in fact used for the Purpose.

Subject to the satisfaction of the conditions precedent applicable to the Facility, the principal amount ("Principal Amount") of the Facility shall be available in only one drawdown in full (upon giving prior written notice of at least two Business Days to the Bank before drawdown) on or before the final availability date, which shall be deemed to be the date falling 1 month from the date of the Application, unless otherwise specified by the Bank, failing which the Facility will expire and be cancelled. The Bank may, upon request by the Borrower and at the Bank's sole discretion, make the Facility available for drawdown in more than one drawing.

Subject to the satisfaction of the conditions precedent applicable to the Facility, the Principal Amount of the Facility shall be disbursed by the Bank directly into the Borrower's Call Deposit Account or such other account of the Borrower with the Bank, or with any other branch of ICICI Bank Limited or with any other bank, as may be approved by the Bank.

In cases where the Facility is made available for the purpose of financing, either in whole or in part, the Borrower's investment in the Notes, the Principal Amount of the Facility shall, subject to satisfaction of the conditions precedent applicable to the Facility, be disbursed by the Bank directly into the Borrower's Call Deposit Account one Business Day prior to the date on which the investment in the Notes is to be made in accordance with the Investment Services Agreement or on such other dates as the Bank may determine. In such cases, the Principal Amount together with Equity, if applicable, shall be debited by the Bank to purchase the Notes. The Principal Amount of the Facility and Equity may be reduced at the discretion of the Bank depending on the nominal amount of the Notes actually purchased or (in the case of a primary issue) allocated, which allocation shall be made by the Bank in its absolute discretion. The reduction of the Principal Amount and the Equity will be such that the original ratio between the Principal Amount and the Equity is maintained. The final values of the Principal Amount and Equity shall be specified in the Facility Confirmation Advice.

Overdraft and/or guarantee facilities against the security of any Notes/ deposit(s) may be granted by the Bank, at its sole discretion, subject to these Terms and subject to such other terms and conditions as may be stipulated at the time of granting the facility. If the Borrower overdraws the accounts or exceeds the agreed overdraft limit at anytime, the Borrower shall immediately pay such amount overdrawn together with any interest, commission and other charges as may be stipulated by the Bank in its discretion. Interest on any overdraft facility or the guarantee commission on any guarantee facility granted shall be calculated at the rate specified by the Bank in the respective application forms/Facility Confirmation Advice and in the manner as may be prescribed by the Bank for each product from time to time. Any unpaid interest/commission shall be capitalised at the end of each calendar month and added to the principal amount for the purpose of calculating subsequent interest.

3. Tenor and Repayment of the Facility

The Principal Amount of the Facility together with the Secured Obligations shall be repaid on the Maturity Date (or, in case repayment is stipulated to take place in several tranches, on the stipulated repayment dates) applicable to the Facility, set out in the Facility Confirmation Advice, in cases where the Facility is made available for the purpose of financing, either in whole or in part, the Borrower's investment in the Notes, in the event that the Bank is not able to purchase the Notes for the Borrower pursuant to the Investment Services Agreement, the Subscription/Transaction Agreement, or other relevant application /subscription form for the Notes for any reasons whatsoever, the Facility together with all Secured Obligations shall become immediately due and payable by the Borrower on the date specified by the Bank. The Borrower covenants to pay to the Bank interest accrued on the Facility on each Interest Payment Date thereof or such other dates as the Bank may specify from time to time. Notwithstanding the aforesaid or anything to the contrary contained in these Terms or in any other document/agreement, the Bank has the overriding right at any time to demand immediate payment and repayment of the Principal Amount and all Secured Obligations on and all other monies whatsoever in respect of the Facility.

Unless otherwise agreed to by the Bank, the payment of each and every sum at anytime due from the Borrower under the Facility shall be made in the currency in which the Facility is made available.

4. Margin Call and Right of Review

The Borrower will upon the Bank's written demand, and as security for the Secured Obligations, transfer, assign charge and mortgage and undertakes to procure that the third party chargor transfers, assigns, charges and mortgages such additional securities/deposits/other property to the Bank as the Bank may deem fit such that the aggregate value of such securities/deposits/other property charged/secured to the Bank (for the purpose of this provision, collectively the "Charged Property") is at least equivalent to a specified percentage (determined by the Bank in its sole discretion) (for the purpose of this paragraph 4, "Security Requirement") of the Principal Amount and will, within five Business Days of receiving notice from the Bank, deposit with or procure the deposit with the Bank and secure/ charge to the Bank such additional deposits (in freely transferable and available funds into the Call Deposit Account) or securities or other property (as the case may be) as the Bank may require to ensure that the aggregate value of the Charged Property placed does not fall below the Security Requirement as determined by the Bank in its sole discretion to its satisfaction.

The Bank shall be entitled to review at any time and from time to time the Facility granted by the Bank and it shall be within the sole and absolute discretion of the Bank to decide whether the Facility shall be terminated, cancelled, repaid, reduced or varied in any way and such termination, cancellation, repayment, reduction or variation shall take effect upon issue of a notice by the Bank. Without prejudice to any other rights the Bank may have, the Bank shall have the right at anytime to take such action as the Bank deems fit to demand, obtain payment from the Borrower or require the Borrower to reimburse the Bank or to debit any of the Borrower's accounts (including fixed deposit accounts) with the Bank without any prior demand for or in respect of the Secured Obligations.

5. Voluntary Prepayment

The Borrower shall not be entitled to prepay the Facility (either in whole or in part) before the Maturity Date except with the prior written consent of the Bank and subject to satisfaction of such conditions as the Bank may from time to time specify, in which case the Bank shall also be entitled to impose a prepayment charge at its sole discretion.

The Bank may, but is not obliged, to give its written consent to the Borrower to allow prepayment to be made. In particular, in the event the Borrower or the relevant third party chargor is required to assign, charge and mortgage additional cash or other acceptable securities (value whereof is referred to in this provision as the "Additional Amounts") as additional security for the Secured Obligations, the Borrower may be permitted to prepay an amount equal to the Additional Amount (based on such valuation as maybe ascribed by the Bank), subject to the following and such other conditions as the Bank may in its discretion specify:

- a. the Borrower provides prior written notice to the Bank of his/its intention to make the prepayment at least three Business Days before the date on which the deposits /securities pertaining to Additional Amounts are to be furnished; and
- b. the Borrower pays the prepayment charge as specified by the Bank at its sole discretion, on or before such date.

6. Interest and Default Interest

The rate of interest specified in the Application is only indicative. The final interest rate will depend on the market conditions and other factors, and shall be specified in the Facility Confirmation Advice. Interest calculated at the rate specified in the Facility Confirmation Advice (calculated on a 360-day year or a 365-day year basis, as the case may be and as selected by the Bank, unless otherwise specified in writing by the Bank) shall be payable on the dates specified in the Facility Confirmation Advice ("Interest Payment Date(s)"). Where the Facility is given on a fixed rate of interest basis, rate of interest payable on the Principal Amount of the Facility shall be the fixed rate specified in the Facility Confirmation Advice,

Where the Facility is given on a floating rate of interest basis, the rate of interest payable on the Principal Amount of the Facility shall be the aggregate of "LIBOR" and "Margin", or the aggregate of "HIBOR" and "Margin", as specified in the Facility Confirmation Advice. In cases where a different interest rate benchmark (other than LIBOR or HIBOR) is used for the Facility, details and terms pertaining to the same will be specified by the Bank in writing. The Bank shall be entitled to vary the Margin at any time at its discretion.

"HIBOR" means Hong Kong Interbank Offered Rate (HIBOR), the rate on which Hong Kong dollar-denominated instruments are traded between banks in Hong Kong. Fixing rates (ranging from 1 to 12-month) are set at 11:00 am. (Hong Kong time) based on HIBOR quotations provided by 20 banks designated by the Hong Kong Association of Banks (HKAB). By eliminating the three highest (or in the case of equality, three of the highest) and the three lowest (or in the case of equality, three of the lowest) of such HIBOR quotations, the arithmetic mean of the remaining 14 offered rates for each period (rounded up to five decimal places) shall represent the HKAB interest settlement rates.

"LIBOR" means the British Bankers' Association Interest Settlement Rate for US Dollars for a period comparable to the Interest Period displayed on the appropriate page of the Reuters screen at 11.00 am. London time, two London Business Days before the start of each Interest Period. If the agreed page is replaced or service ceases to be available, the Bank may specify another page or service displaying the appropriate rate and LIBOR shall be construed accordingly.

Each "Interest Period" shall be for the number of calendar months (or other period) corresponding to the LIBOR or HIBOR specified in the Facility Confirmation Advice. For instance and by way of illustration only, where the applicable LIBOR rate is specified as 3 month LIBOR or HIBOR, the Interest Period shall be 3 months; and where the LIBOR or HIBOR is expressed to be 6 month LIBOR or HIBOR, the Interest Period shall be 6 months. The first Interest Period shall start on the date of drawdown of the Facility. Each successive Interest Period shall start on the last date of the immediately preceding Interest Period. Provided that in cases where an Interest Period extends beyond the Maturity Date/final repayment date specified in the Facility Confirmation Advice, all accrued interest together with the Principal Amount and all Secured Obligations shall be payable on the Maturity Date/final repayment date. If a Market Disruption Event (as hereinafter defined) occurs for any Interest Period, then the rate of interest on the Facility for that Interest Period shall be the rate per annum, which is the sum of:

- a. the Margin; and
- b. the rate notified by the Bank as the rate, which is, expressed as a percentage rate per annum the cost to the Bank of funding the Facility from whatever source it may reasonably select.

In these Secured Loan Terms, "Market Disruption Event" means:

- a. at or about noon in London two Business Days before the start of the relevant Interest Period, LIBOR or HIBOR is not available; or
